Notice

Subject: Special Fast Track Classes for Attendance Improvement

All students with attendance below 75% are hereby informed that JMN Medical College will be conducting **special fast track classes** under very special situation as per the decision taken in College Council meeting. These classes should be treated as **a second and the final chance** for such students and are designed to help you make up for missed sessions and improve your overall attendance record.

Details of the Fast Track Classes:

- Start Date: 1.06.24
- End Date: 18.06.24
- Timings: 10am to 3:30pm (Detailed class schedule will follow)
- Location: Departmental Demonstration Room

All students whose attendance will be below 75% after the last class on 31st May 2024 must attend these classes without fail. Detailed subject wise list of such students will be shared soon. Participation of students with attendance more than 75% will be voluntary.

Maintaining a **minimum of 75% attendance is mandatory for eligibility to appear in the First Professional MBBS University Examination.** These fast-track classes are an excellent opportunity to catch up on missed coursework and ensure you meet the required attendance threshold.

We strongly encourage you to take advantage of this opportunity to improve your attendance and stay on track with your academic progress. Should you have any questions or need further information, please do not hesitate to contact me.

Thank you for your cooperation.
